## APPENDIX.

### REPORT OF THE BOARD OF MISSIONS.

*To the President and Members of the White River Annual Conference,*

BRETHREN:—We learn with gratitude to Almighty God that the year just passed has been one of progress in our missionary work at home and in the foreign field. The trend toward centralization of the population in cities and towns, which is being felt in the South as well as the North, presents a new problem at home, which your General Board is preparing to grapple with intelligently and earnestly. In the Orient, in China in particular, the great political obstacles which once obstructed and hampered our work have passed away and with their passing there has come an era of steady progress in the work of undermining the strongholds of superstition, oppression, and paganism. Our contingent in the field numbers above three hundred active workers, evangelists, pastors, native and foreign, doctors and teachers; these last are among the most important and efficient workers, both for present results and permanence, in the field. The Soochow University, the offspring of the great New Orleans Conference, is now a realized fact. The educational work which drills the way to the heart of the nation for the most effectual working of the Gospel is being pushed with fervor. In all the fields we have some ten colleges and seventy-six schools, and 13,000 church members. In view of the great need in the field, the General Board projected at its last meeting a Wesley bicentenary fund, asking for \$150,000 to strengthen its educational work.

The collections on the regular assessment for 1902 are reported in advance of the previous year, eleven Conferences in the connection having paid their assessments in full.

Our part in this great work is to advance and steady the line, not in any spirit of emulation but from a sense of obligation and privilege. Our collections for foreign missions fall slightly below last year, Helena District alone paying in full, but there is a gratifying increase in the collections for domestic missions. We believe the missionary spirit to be of the essence of Christianity, and that its diligent propagation is the most fruitful and beneficent work of the Church. We therefore recommend:

1. That all pastors and people alike seek by fervent and continuous prayer for the blessing of Almighty God upon the missionary work at home and abroad.

2. That the pastors by preaching often and specifically upon missions and by the diligent circulation of missionary literature, labor for the increase of missionary knowledge and of the missionary spirit.

3. That the disciplinary requirement that the Sabbath Schools shall be made into missionary societies be observed by all.

4. That the Presiding Elders set apart an afternoon session of their District Conferences for the discussion of missions—of practical phases of the propaganda, and have one or more addresses, or a sermon on missions at night, provided for in advance.

5. That a small appropriation be set apart by this board for the purpose of sending out some pamphlets or leaflets containing information on this matter.

6. That the pastors begin early in the year to raise their foreign missionary assessment.

The assessment of the General Board for 1904, for foreign missions is \$4,545.00 and of this board for domestic missions is \$1,690.00. Apportioned as follows:

| DISTRICT.  | FOREIGN. | DOMESTIC. |
|------------|----------|-----------|
| Helena     | \$977 20 | \$342 50  |
| Jonesboro  | 977 15   | 342 50    |

| Searcy     | 960 15   | 342 50    |

## REPORT OF THE BOARD OF EDUCATION.

We, your Board of Education, submit the following report: We rejoice at the success of the Correspondence School, and recommend that the examining committees of this Conference accept the certificates given by school in lieu of examinations.

We are very much gratified to have such a report as comes to us from Hendrix College. This institution is doing a great work for our Church in this State and should receive the hearty co-operation and assistance of all our pastors and people.

Galloway College continues to prosper. Its work is now greatly hindered by a lack of room needed for those who desire to attend it. We hope that the day is not far distant when our people will add the other buildings that are now so much needed. We recommend:

First, That the second Sunday in January be observed as Galloway Day in all the charges of this Conference.

Second, That Frank Barrett be elected to succeed W. B. Ricks as Trustee of Galloway College.

Third, That J. K. Farris be elected Trustee of Hendrix College to succeed W. B. Ricks, and W. L. Jeffries be elected to succeed himself, and that M. M. Smith succeed himself.

Fourth, That W. B. Hays be continued as Secretary of the Conference Board of Education.

Fifth, That W. B. Hays and A. E. Holloway be appointed as a committee to confer with a similar committee from the other Conferences of the State with reference to a Preachers' Institute to be held at Hendrix College each year in harmony with the plans of the Correspondence School.

Sixth, That R. C. Morehead be appointed as a committee to confer with a similar committee from the other Conferences of the State with reference to providing ways and means for the erection of additional buildings on the campus at Hendrix College that are now very much needed.

Seventh, That we heartily endorse Rev. D. J. Weems as agent for Galloway College.

R. C. MOOREHEAD, Ch'm.

## REPORT OF THE EPWORTH LEAGUE BOARD.

*To the President and Members of the White River Annual Conference:*

DEAR BRETHREN: Your Epworth League Board respectfully submits the following report: We rejoice to report to you that this has been a very prosperous year for the Epworth League. The report of the General Secretary indicates that this has been the most prosperous year in the history of the organization. We are sorry that we cannot report that in our territory the League is so prosperous. We are gratified, however, that our Annual Conference League which was held in Jonesboro last June was a great success. The interest manifested in that Conference indicates that with a proper effort the Epworth League might be more successful in our territory.

The Epworth Era which has been established and endorsed by our General Conference has a very poor circulation among our people and among our pastors. The League Reading Course, the Bible Study Circle and the Institute course which have been provided for the help of our young people have not received a hearty reception among us and they have not been brought to the attention of our youth. The General Epworth League Board nor the Conference League Board has received the co-operation of our pastors in their efforts to establish the League cause in our midst.

If the Epworth Era was read by our pastors and people and the League Boards had the hearty co-operation of all concerned, that their plans might have a trial, this very important interest would soon justify its right to our attention and would prove itself a power for the extension of our Lord's Kingdom. We therefore recommend:

First, That as far as possible our pastors lend their influence to the extension of this important work.

Second, That all our pastors, if possible, become subscribers to the Epworth Era, and

Third, That Chas. D. Metcalf be placed on the Epworth League Board in place of C. F. Cole, resigned.

W. M. WILSON, Ch'm.

A. E. HOLLOWAY, Sec'y.

## REPORT OF SUNDAY SCHOOL BOARD.

*To the President and Members of White River Conference:*

DEAR BRETHREN: Your Sunday school board have endeavored to make a careful survey of this very important part of church work, and are really glad to say that the interest is growing. We now have 267 schools, 1,718 officers and teachers and 14,968 pupils which is a good increase over last year. The increase in the circulation of our Sunday school literature is indeed gratifying, but still we do not believe it is near up to what it ought to be. We do most sincerely hope and urge upon every pastor to have a Bible Teachers Study Circle in his charge before the next session of our Conference. We are very glad to have had Dr. Hamil with us and greatly enjoyed his very stirring address before this body, and hope it will bear much fruit.

Children's Day was not observed as generally as usual. Of the 85 appointments in the Conference only 21 have reported anything to this Board, and we regret to have to report a decrease in this collection. We have received the following amounts by districts:

## REPORT ON SPIRITUAL STATE OF THE CHURCH.

*To the Bishop and Members of the White River Conference:*

DEAR BRETHREN. We, your committee on the Spiritual State of the Church submit the following report:

While we recognize the vast importance of all the enterprises of the Church; the educational, financial, the missionary, Sunday school and Epworth League movements, yet we believe the subject committed to us for consideration is fundamental and lies at the basis of all church work. This being so, we use this opportunity to emphasize the preaching of God's Word in such a way as that a distinct and personal conviction of sin and conversion will follow as the work of the Holy Spirit.

We note with pleasure the great number of conversions and accessions during the year, and this indicates to us that such preaching has been done throughout our Conference, for which we are most devoutly thankful, and pray the guidance of the Holy Spirit in all of our efforts to promote this work for the glory of God and the salvation of souls.

JNO. T. SELF,

Secretary.

JAS. F. JERNIGAN,

Chairman.

## REPORT OF COMMITTEE ON TEMPERANCE.

*To the President and Members of the White River Conference:*

We, your committee on Temperance, beg leave to submit the following report: We are gratified to note that there is a healthy growth in Temperance sentiments and convictions within the bounds of our Conference as well as throughout the State. We have reasons to believe that there is now less dram-drinking among moral respectable people, than ever before; and that drunkenness is constantly on the decrease.

We are not unmindful of the fact that intemperance is a dangerous, insidious foe, against which we must ever contend with the utmost vigor and vigilance; and that intemperate lives are made possible and easy in very many communities by the illegal sale of spiritous liquors; and in others by the licensed saloon.

We publish to the world that this Conference and our Church stands for the extirpation of the great evil of intemperance and every traffic, legal or illegal, which fosters it. We have noticed with deep humiliation what we regard as an abuse of the Executive power of our State in the pardons granted to violators of our temperance laws.

That we put forward as far as possible, during the next year, the cause

of temperance in our midst, we recommend the adoption of the following resolutions:

First, That all our people abstain from the use of spiritous liquors and all inebriating drugs.

Second, That our pastors see to it that at least one sermon is preached to every congregation in the Conference during the year.

Third, That we use our utmost influence to secure sober, temperate, temperance men to fill the offices of the country.

Fourth, That we are in sympathy with every agency the object of which is the overthrow of the rum traffic; and as far as practicable we pledge ourselves to co-operate with every such agency, organized or unorganized, working to this end.

Fifth, That we heartily indorse the measure introduced in the Congress of the United States of America by the Hon. R. Bruce Macon of the First Congressional District of Arkansas which provides that the Government of the United States shall not issue an internal revenue license to any person to sell liquor in a prohibited district in any State or Territory. We sincerely hope that this bill may become a law.

N. E. GARDNER, Chairman.

J. J. MARDIS, Secretary,

A. C. GRIFFIN,

A. CARTER,

H. T. BLYTHE,

R. H. GRISSET,

S. E. EVERET,

Committee.

## REPORT OF COMMITTEE ON BOOKS & PERIODICALS.

*To the President and Members of the White River Conference:*

We, your committee on Books and Periodicals, submit the following report: We acknowledge the receipt of samples of publications from our Publishing House and are gratified to report that all the publications ordered by our Church, so far as we are capable of judging, are well edited and published. The Christian Advocate is worthy of our best efforts for its wider circulation, as is also our Epworth Era, Quarterly Review and other publications. We note that there has been a small gain in the subscriptions, and a considerable gain in the collections for the Arkansas Methodist, which is our Conference organ, and which should be put in every Methodist home within our bounds. We endorse the editorial management of the Arkansas Methodist and urge our preachers to use their best efforts to put it in every Methodist home. We deprecate the circulation among our people of papers not in harmony with our church polity and that assail our ministry. We recommend the patronage of our Book House at Little Rock which sells all our publications at Nashville prices, and which is allowed the State of Arkansas as its field, by contract with the Publishing House at Nashville, Tenn.

We recommend M. M. Smith, S. L. Cochran and W. M. Wilson as a Publishing Committee from the White River Conference, for the Arkansas Methodist. Respectfully submitted,

R. C. MOREHEAD, Ch'm.

FRANK BARRETT, Sec'y.

## REPORT OF BOARD ON BIBLE CAUSE.

*To the President and Members of the White River Annual Conference:*

We, your Board on Bible Cause, beg to submit the following report:

It is no part of the work of this board to eulogise the Bible. The civilizing effect, the peace it has brought into the homes where it has gone, the lives it has blessed and brightened, may tell its story.

While most all our homes are supplied with Bibles, and, many in the foreign fields have come under its influence; yet there are many parts of the world where the Word of God is unknown. We note with gratitude to God that recently the doors of Thibet have been opened to the Word of Light, while the heralds of the cross have not been admitted to enforce its teachings.

We are not unmindful of the work the American Bible Society has done, and is doing in the free distribution of the Word of God where poverty would prevent it coming; Therefore, be it resolved that we as preachers comply with the law of our Church and report something from all our charges. Out of 85 charges in the Conference but 23 have reported anything during the year. Some of our best charges have not reported anything.

\$56.92 have been paid this year, making an increase over last year \$1.31. Respectfully submitted.

F. E. TAYLOR, Ch'm.

A. C. CLOYES, Sec'y

## REPORT COMMITTEE ON CONFERENCE JOURNALS.

*To the Twenty-ninth Session of the White River Conference:*

We, your committee on District Conference Journals, beg to report that we have carefully examined the records of all Districts composing the White River Conference, and find all of them to be neatly, accurately and correctly kept.

M. F. COLLIER, Ch'm Com.

## ARKANSAS METHODIST ORPHANAGE.

The Arkansas Methodist Orphanage is the property of the three Conferences of this State. As receipts and expenses change daily, and as it is desirable that the reports to each of the three Conferences shall be uniform, we therefore take this exhibit from the minutes of the annual meeting of the Board held at the Orphanage, Oct. 28, 1903.

At the beginning of the year we had 9 children in the Orphanage: we have received during the year 16 children, and placed 15, leaving 10 now in our care.

Since the opening of the institution last year we have received 33 children into the Orphanage and placed 23 in homes.

The first child received into the Orphanage was little Jessie Miller. She soon became a permanent invalid, unable to walk, confined to an invalid chair, and requiring a special nurse. A few weeks ago we obtained a place for her in the Home for Incurables, St. Louis.

While in the Orphanage the children of school age have been sent to the Scott Street Public school, two squares away.

They all go to Church and Sunday school, and there is regular family prayer in the home.

Our matron, Mrs. Chas. Wightman, is all we could desire of a matron both as house keeper and governess.

Drs. Snodgrass and Dunaway give free medical service to the Orphanage. There has been no death in the Orphanage since it was established.

Last year we reported assets \$13,332.00. From this we deduct \$957.73 which is cancelled because of error in the reports made to us, duplicates and deaths.

## IN MEMORIAM.

### REV. SIDNEY H. BABCOCK.

Brother Babcock was born in the city of Macon, Ga., March 23, 1849. Converted and joined the Methodist Episcopal Church, South, when thirteen years of age. Was licensed to preach when 18 years old, and joined the North Georgia Conference in the year 1868. His first work was Hancock circuit, which had within its bounds the quiet home of Bishop Pierce. The wise counsel, gentle life and above all the consecrated purpose of this man of God was to Bro. Babcock like a light set upon a hill close by the eternal throne. In 1869 Bro. Babcock was transferred from the North Georgia to the Arkansas Conference. His first work in that Conference was Van Buren. This charge he served for three years, after which he received and did efficient work on the following charges: First Church, Ft. Smith, three years; Greenwood circuit, one year; Ft. Smith District, four years; Clarksville station, two years; Fayetteville District, two years; President of Quitman College three years, at the same time serving Morrilton District two years and Quitman station one year; Ft. Smith District two years. Elected president of Galloway College in September of the second year; President of Galloway College three years and then of Searcy College four years. After coming to Searcy he transferred to White River Conference. Was pastor of Augusta station for a few months; of Batesville for one and a half years. Bro. Babcock was chaplain of the Second Arkansas Regiment in the Spanish-American war from June '98 to March, '99. The rest of the year was spent in working for the Anti-Saloon League.

The last four years of Bro. Babcock's life were spent in serving Jonesboro District, falling at his post of duty at Crawfordsville, where he had gone to hold a Quarterly Conference.

Oct. 5, 1893, he was ordained Deacon by Bishop Dogget, Elder by Bishop McTyeire and was selected by this Conference to represent it in the General Conference which met in Baltimore May, 1898.

In the above data we have a brief summary of the life of a good man, pre-eminently A GOOD MAN. How much of toil, labor, care, anxiety, suffering and joy may have been woven into this life, that dates and statements cannot reveal, is best known by the faithful wife, and will be fully made known in the bright unfoldings of future felicity.

Bro. Babcock was a man of strong convictions, fixed purpose, and at the same time of broad charity.

He was a genuine and true Methodist, believing in the doctrines of his Church and accepting its polity as both scriptural and expedient.

His strength and ability were shown when preaching against the popular evils of the day, his love and tenderness when preaching upon the love of God and inviting sinners to a loving Saviour. And the blessed Gospel he preached came from his heart as well as his head and was to him a solace and comfort at all times.

Bro. Babcock was a clean, neat man without any touch of vanity. He was a great preacher with an humble spirit and meek disposition. He was a true friend in the truest sense—he loved his brethren fervently and was correct and faithful in all his dealings with them, disposed not to look on his own things but on the things of another. We loved him, we honored him, we will cherish his memory as a priceless jewel and meet him in the General Conference above.

## MEMORIAM.

### REV. J. J. ALEXANDER.

Bro. Alexander was born May 22, 1830. He was converted at the age of sixteen and joined the M. E. Church, South. He was married to Miss Mary A. Fitzgerald on July 22, 1852, and in the following year moved to Arkansas. He was licensed to preach in January, 1869 and served the Church as a faithful local preacher for four years and was admitted on trial in the White River Conference at Forrest City, Arkansas, in 1873. He was granted a supernumery relation at the Conference of 1894 at Helena, Ark. After one year's rest he served two years and his name was then placed on the superannuated list.

He spent the remainder of his life at Barren Fork, Arkansas. During the session of the Conference held in Paragould in 1902, on December 4, while his brethren were being examined and having their characters passed, he was called into the presence of his Heavenly Father to receive the reward of his labors and the gift of eternal life.

Bro. Alexander was noted for his deep piety, his honesty of purpose and for his love and faithfulness to his Church. He always loved his people and spent the years of his ministry in labors of love. There were 3,000 conversions under the ministry of this faithful servant of our Master. The secret of his power was in the Lord.

May the mantle of his strength be upon us, and may our last end like his, for "Blessed are the dead who die in the Lord."

We honor his memory and pray that the Holy Spirit may comfort his companion and lead her to a happy reunion with him in the Eternal City of our God.

### REV. EDWARD HOWARD WALLIS.

Bro. Wallis was born in Prentice county, Miss., March 17, 1869; professed religion under the ministry of Rev. J. B. Stone in the year 1891; joined the Methodist Episcopal Church, South, at Moro, Ark., in the summer of 1895.

Bro. Wallis was a child of affliction all his life; never was a bad boy, always bright and cheerful, kind and affectionate, devoted to his aged parents and sisters. He was a loving father and affectionate husband.

Bro. Wallis joined the White River Conference at Paragould November, 1896, and was appointed to Golden Lake charge, serving it for three years—1897-98-99; Haynes charge, 1900-01; Bledsoe charge, 1902; Heber, 1903, or until October 26, when he was called home.

Ordained Deacon at Clarendon by Bishop H. C. Morrison, December, 1898. Ordained Elder at Jonesboro by Bishop C. B. Galloway Dec., 1900.

Bro. Wallis was educated and eloquent, an attractive preacher, a faithful and industrious pastor. At the time of his death he was closing a most successful year's work—his people loved him dearly and were led to deeper consecration and greater activity under his ministry. At the time of his death he was busily engaged in building a church which had been destroyed by a storm in the first part of the year. He shunned no work that his people had to do. His death was sudden and unexpected—he fell at his post and in the midst of labors abundant. His people mourn their loss. He has gone to his reward. God buries his workmen but carries on his work.

### SISTER L. A. EDWARDS,

Nee Dodson, wife of Rev. J. R. Edwards, was born June 18, 1846 and was married to Bro. Edwards December 23, 1834; professed religion and joined the M. E. Church, South, in Tennessee in the year 1858; died Dec.

## MEMORIAM.

23, 1902, while on the way to their new work—Mitchell's Point circuit. She was a consecrated Christian and was ever ready to go with her husband to his appointments and help him in his meetings.

Her last words were to sing, "I Have Anchored My Soul in the Haven of Rest." She has gone to the City of Mansions to await the coming of loved ones who mourn their loss. We shall not meet her at our annual gatherings here again, but we shall see her in the great Conference above, where each faithful follower of Christ shall hear the welcome applaudit "Well done good and faithful servant, enter into the joys of thy Lord."

### REV. RICHARD M. MANLY.

Rev. Richard M. Manly, second son of Rev. J. Adison and Mary A. Manly was born April 4, 1831, near Petersburg, Va., and died October 2, 1903, at Brinkley, Ark.

In early life he moved with his parents to Oakland, Fayette county, Tenn. Thursday evening, September 7, 1854 at the home of George G. Durham, Bluff Creek, Tenn., he was happily married to Margaret G. Durham, and five children were born unto them, two dying when they were little boys 8 and 9 years old, Brownlow and Bascom.

Three children are yet living—Mrs. Maggie C. Folsom and C. Boswell Manly, of Brinkley, Arkansas, and their youngest, I. B. is pastor of the M. E. Church, South, Saint Clair, Missouri.

The subject of this sketch was converted and joined the Methodist Church in early life, for many years was a classleader and exhorter; reared his children, by the efficient help of his good and noble wife, upon a farm in Cross county, Arkansas, where the family altar was the pillar of that unpretentious home, around which clusters the holiest memories.

He served God in the humblest places, and did not consent to be licensed to preach until about 1880 or '81. From that time he desired appointments of the lowliest rank. In 1881 and '82 he did home mission work on Languille and in '83-4 he preached in and about the "Jerico" settlement. December, '84 he joined the White River Conference at Batesville, Ark., and was ordained Elder Sunday night, Dec. 20, 1891, at Newport, by Bishop W. W. Duncan. His brief ministry was during the following years at the places named: In 1885, Spring Creek; '86, Oak Forest; '87-8, Cypress Ridge; '89-90, Weldon; '91, Melbourne, and in '92, Blytheville, at which place on May 13, he lost Margaret, the fond and faithful wife of his youth. Sorrow stricken he toiled on during the soiling, sultry summer till September 2, 1893 he was paralyzed, from which he never recovered, but lived in almost uninterrupted misery for eleven years, mostly seated in his chair and wept almost continually except at night when asleep. He craved and prayed to die. Oct. 2, 1903 at his home in Brinkley, with his daughter and elder son, he fell asleep in the faith and love of our Lord Jesus Christ, and his beautiful, immortal spirit sped away to heaven to rest with his God, and he weeps no more. Some one said of him, that "He was a faithful soldier of the cross." He was a good and noble father, and loved us with a love that sorrow and affliction could not abate, but it grew stronger and tenderer during the years.

Like many others, sorrow's storms swept his life, but his sun went down amid the beauties and honor of old age, undimmed by a cloud. He laid down the cross, picked up the crown and passed across the river to rest beyond the sunset's radiant glow. His children,

MRS. MAGGIE C. FOLSOM,  
C. BOSWELL MANLEY, Brinkley, Ark.  
I. B. MANLEY, Saint Clair, Mo.

# The Queen City of the Valleys.

---

Walnut Ridge, Ark., the Queen City of the Valleys, is located on the St. Louis, Iron Mountain and Southern Railroad and the St. Louis and San Francisco. It has about 1-800 inhabitants, more substantial brick houses, does much larger merchandising, buying and selling cotton and all other materials than any other Town in the County.

It lies in the magnificent valley of the Black and Cache Rivers, and the fertility of its soil is unsurpassed, surrounding it by as fine farming land as can be found in the State. It is the County Seat for the Eastern District of Lawrence County, Arkansas, and has a magnificent new pressed brick Court House, at a cost of \$25,000. The Methodists, Baptists and Presbyterians have beautiful churches. The Opera House at this place would do credit to a town of double the population. Two good Banks; Street car line to Hoxie, an Electric street railway to Hoxie, one and a half miles south and an Electric Light Plant are now in course of construction. Fair grounds, Ice factory, handle factory, two large system cotton gins, telephone system, home and long distance. The Phoenix Cotton Oil Company of Memphis have just completed an eighty-ton cotton seed oil mill. The Turnbull Wagon Company of Defiance, Ohio, have just completed and begun the operation of a large wagon factory. Large lumber yards and planing mills are in operation. Annual cotton shipments 10,000 to 12,000 bales. The erection of a fifteen thousand dollar school building will be begun at once. There is not a town in the State with a better location geographically nor one that excels in railroad facilities.

For further information write to H. L. Ponder, Secretary of the Business Men's League, Walnut Ridge, Ark.

# Lawrence County, Arkansas

---

The land for the man with limited means where every one can own his home and be happy. We have good water and health, splendid society, churches and schools; rich land and never failing crops, no drouths, blizzards nor grasshoppers. The best of transportation facilities: three trunk lines, north, south, east and west, 2 1-2 hours to Memphis, 3 1-2 to Little Rock, 7 to St. Louis, 10 to Kansas City and 15 to Chicago.

We have the only country for truck, melons and small fruit farming. We are right at the market's open door. Cotton, corn and hay grow in abundance and always command good prices. The same of small grain and stock raising—"WELL THAT'S JUST FUN"—no work, nor heavy feeding. We graze 10 months of the year—only have to feed two months. We have elegant open range.

Zinc and Lead of the richest quality abound in the western part of the county; while the eastern half is devoted and admirably adapted to agriculture.

S. C. DOWELL, the Real Estate man of Walnut Ridge, Ark., is a hustler, and will take great pleasure in showing lands, answering correspondence. Mr. Dowell has any size tract, from a town lot (have 1,000 town lots for sale in Walnut Ridge and Hoxie) to the largest timber and farming lands in this and other States. He is also agent for the St. L. I. M. & S. R. R. and the L. & F. S. R. R., of which there are about 2,000,000 acres. Write or come to see Mr. Dowell; he will tell you all about the County, and can show you Large Bodies of Cypress, Long Leaf Yellow Pine and White Oak Timbered Land, Fruit, Dairy and Stock Farms, Cotton Plantations and Small Farms, Coal and Mineral Lands, City and Suburban Property.

Galloway College and

Conservatory of Music. The largest Female College in Arkansas  
and one of largest in the South or West.

## SEARCY, ARKANSAS.

The teachers are from the best schools in the United States and the music directors and assistants are graduates of the finest Conservatories in the world, Berlin and the Royal Conservatory in Leipsig, Germany.

Art, Elocution and Music Departments Exceptionally Fine.

Our Commercial Course is broader than that of any female college in the United States. The bath tubs are porcelain lined. Hot and cold water on every floor. New steam plant, and the boilers and machinery over 100 yards from the college—an important item in event of explosion. The girls are healthy and happy.

Bishop Keener says: "Galloway College, in the number and variety of departments, its personnel and in all its appointments is equal to any female college East of the Mississippi."

The many new improvements and additions are greatly enjoyed. They were much needed and demanded by the growth of the school. The Annex, Natatorium, Deer Park, Gray Granite walks and fountains are some of the improvements made.

# The "IFS" of Life

Make the guarantees of Insurance in the Mutual Life Insurance Company of New York, valuable beyond all calculation. The following instance is only one of thousands:

The late Archibald N. Waterhouse, of Philadelphia, who died suddenly last Friday, held policies amounting to \$80,000 in the Mutual Life Insurance Company of New York. The forms of insurance under which these policies were issued, were so selected that his widow will receive at once \$20,000 in cash and an annual income of \$3,000 for twenty years, and if she is living at the end of that period she will receive \$60,000 in cash, making the total amount received under these policies \$140,000 on which the premiums paid by Mr. Waterhouse amounted to only \$27,492.20.

(From the Philadelphia Record, Nov. 13, 1902.)

In writing state what you would like to receive in cash at the end of limited payment period, amount you would like your beneficiary to receive.

# The Sweet Toned Epworth Piano

## A Few of Our Witnesses;

H. M. Du ROSE, Editor Epworth Era:

Nashville, Tenn.

Our Epworth piano gives entire satisfaction. Wife and daughter are delighted with its sweet, clear tone. My work as General Secretary of Epworth Leagues of the M. E. Church, South, carries me over the entire continent. I have found hundreds of your Epworth pianos and organs in use, and have heard only words of commendation.

Chicago, Ill.

PROF. E. O. EXCELL, whose music is sung round the globe:

The Epworth piano I bought of you for my home is a superior instrument. There is a clearness, depth and richness in its tone which is particularly pleasing. I can safely recommend the Epworth to my friends.

Spartansburg, S. C.

REV. G. H. WADDELL, Publisher Southern Christian Advocate:

The Epworth piano has been received in good condition. It fully meets our expectations and is a superb instrument in tone and finish. The grandmother, the wife, the girls, are delighted with it. I thank you for the care and promptness with which you filled my order.

Chicago, Ill.

PROF. CHARLES H. GABRIEL, The well known composer of Sunday School music:

For years I have used the Epworth in my studio; it is an exceptionally sweet-toned instrument. I feel that I can strongly recommend these pianos, because I know them to be good and believe them to be the best obtainable for the price.
